

WHY

you should take the Learner's Permit Test ONLINE at

LowestPriceTrafficSchool.com

INSTEAD of at the Driver's License Office.

ACTUAL QUOTES from teens who took the test at the DMV!

"We're here at the **DMV** to get my permit. We arrived at 8:40 in the morning and have been waiting ever since then [**6 and 1/2 hours**]."

"I've been waiting almost **3 hours** and it's horrible. It's ridiculous."

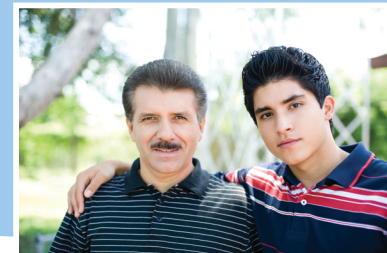

"I had to stand in line for an **hour and a half**. Then I had to go stand in another line. I'm waiting in that line now. It works a lot better, you know, to take it [the test] online instead of waiting in line for **2 or 3 hours**."

"We waited in line **2 hours and 45 minutes**." She was taking the test for a second time and "About half way through the process, they said it was too crowded and she couldn't."

"It's hard to get the appointment. I had to wait **2 weeks** just to get [my son] down here. I think they [teens] should do it online. We waited **an hour and a half** in line."

"I couldn't get an appointment for **2 or 3 months**. They're at capacity for the building so they kicked me out - I can't even wait in there anymore. We're on **hour 3** and the system is down. So we're standing out here waiting."

"This line is freaking insane. I hate it."
